WHO

AZSH — pronounced “Ash” — is a Miami pop artist and storyteller whose music explores freedom, transformation and joy. Sultry vocals, empowering lyrics and genre-bending production in a sound she calls Miami Pop.

Releasing under her self-managed label Empty Bus Records, she has built a catalogue of over a million streams across five years entirely independently — culminating in her debut self-titled album, 5 June 2026.

THE RECORD

Twelve tracks reframing eleven singles released between 2021 and 2026 into one story — from the restless call of EW2GO, through the breakthrough of Limitless and the perspective of Hope on the Horizon, to the harvest of Endless Summer.

“Every song was a season. Every season was building toward Endless Summer.”
